

**Mass Coordinators:**

It is requested that mass coordinators stand to one side during communion and not directly behind the altar. The desire is to maintain the focus on the Eucharist and the reverence of the altar through the priest and deacon. Please stand in front of the Gospel book or in front of the deacon's bench.

**Lectors:**

When leading the Prayers of the Faithful, please remain standing near the Ambo until the priest completes the final prayer. It will help keep the focus on the prayerfulness of our petitions.

**Extraordinary Ministers of Holy Communion:**

A reminder to open the purificators and to use different parts of the purificators when wiping the cups after each communicant. Also, please rotate the cups.

A reminder to make a reverent bow when receiving the Eucharist and saying "Amen." People do watch the Eucharistic ministers.

It is requested that one Eucharistic minister from each station bring the two cups and purificators to the credenze table upon completion of communion. This will minimize the "congestion" at the credenze table.

**Altar Servers:**

Please perform your various functions together. Example: At the beginning of mass, place the candles in the stands and wait until each of you has completed this before proceeding to the altar server bench.

Remember to unfold the finger towel at the time of the "washing of the hands of the priest." It makes things easier for everyone.

Above all else, pray and sing. No unnecessary talking.
